BEHOLD - 20th Anniversary  
Celebrating over 20 years of  
God's faithfulness  
towards Summit

In **Psalm 66:5**, it says *“Come and behold what God has done.”* On Sunday, Gerry described some of the ways that God has blessed Summit. **How long have you attended Summit? What are your favourite Summit memories? How have you seen God's blessings in, towards or through Summit?**

Reflect through your spiritual journey. **What can you BEHOLD and see what God has done in your life that you can be thankful for?**

God's vision for Summit...

1. that we become a family of loving communities from every tribe, tongue, and nation; through multiplication of our groups & teams; by an increased number of services; and through the multiplication of our sites, or future Church plants
2. that we intentionally follow Jesus by seeking to be transformed into His likeness; through renewal in the Holy Spirit
3. that we become a family of communities who sacrificially expresses His transforming presence in our world

Reflecting on this list of God's vision for Summit, **is there something that is keeping you from engaging in the Summit family? What can you do to strengthen our Summit community, especially in the areas listed above?**

*2 Corinthians 3:18* says, "And we all, with unveiled face, beholding the glory of the Lord, are being transformed into the same image from one degree of glory to another. For this comes from the Lord who is the Spirit."

On Sunday, Gerry spoke about looking to Christ and beholding His glory to witness continued renewal in the Holy Spirit for a new experience of the presence of the Holy Spirit; for increased transformation to be more like Jesus; for the ability to hear His voice and respond to His leadership; to walk in the historic practices of renewal (confession, repentance, deliverance from spiritual influence, soul healing and emotional wholeness); to release the authority of Jesus and the power of the Holy Spirit in our ministry and mission. **What are you looking forward to behold, or expecting God to do in your life this upcoming year? What are you expecting God to do at Summit this year?**

Beholding God's faithful works in the past builds our faith foundation and gives us confidence to trust Him in the upcoming opportunities and challenges in our lives. **Describe an experience that God has given you to build your confidence and trust in Him?**

“BREAKTHROUGH” is the word that the Holy Spirit brought to the Summit staff & elders. To move from behold to breakthrough, we need to offer bolder prayers of faith and take bigger risks in faith.

**What are the next opportunities and/or challenges you feel God is leading you towards, where you need to lean on and trust Him? What big faith risks do you feel God is calling Summit to?** *Spend some time praying through these opportunities, challenges, and risks in full faith and ask that you may be fearless and filled with holy boldness.*
