

Interact e-transfer

Interac e-Transfer is a simple, convenient, and secure way to send an online donation to Summit Community Church without a credit card. It is a great alternative to cheques and cash. All you need is access to online or mobile banking through a participating financial institution.

To give using Interac e-Transfer please use this email address to send your donation to Summit: [**give@summitcommunity.ca**](mailto:give@summitcommunity.ca)

In the memo field of your transaction request, please indicate what fund(s) you want your donation to go to.

- General Fund
- Building Fund
- Missions Fund

If no allocation is specified, amount will be allocated to Summit Ministry (General Fund). Please note that donations are only accepted for Board approved programs and projects. When a project has been fully funded or cannot be completed for reasons determined by the Board, designated contributions will be used where most needed.

After you have selected the amount and the fund, please email the answer to your security question to [**give@summitcommunity.ca**](mailto:give@summitcommunity.ca) so that we can accept your donation.

Note: Interact e-transfer is useful for one-time donations but is not recommended for recurring (i.e. monthly) donations. For recurring donations, a pre-authorized debit should be arranged.
