

Brick by brick, one by one, we are living stones with Jesus, our Cornerstone.
We are built together to bring the hope of Christ to the world.

JESUS **BUILD** YOUR CHURCH

This year, every day with every interaction, we pray

Holy Spirit, build our lives wholly devoted to Jesus and His mission through
Summit Community Church

Jesus, as You and the Father are one, unify Your Church so that we will
encourage each other and build one another up

Father, continue to build Your house at 1750 Stouffville Road this year through
site plan approval, roadway construction and property enhancements

Holy Spirit, build within us a spirit of generosity to give our time, talent and treasure
to expand Your Kingdom locally and globally through Summit's missional partners

Father, build a heart within us to live a praying life with You

BUILD
2022
